My dear friend,

Referring to the deputation of an officer to assist you in the investigation into the case of Mr. Fernandes, Civil Surgeon, I beg to inform you that Government are this day requesting the Inspector General of Police to spare for you the services of Mr. Nagar Suba Rao who conducted the investigation of the case in the Kadur District. Before the requisite arrangements could be made the Registrar of the Chief Court has written demiofficially yesterday afternoon that you will sit for the investigation of the case to-day. This explains why it has not been found possible to depute an officer to attend at to-day's sitting. Your letter of the 26th instant will be soon considered and replied to.

I remain,

Yours very sincerely,

Sd. L. Anantasami Rao.

(Note continued.)

4 5

Mr. Rangasami Iyengar, Special Commissioner, ~~Minister~~, was asked in this Office docket No. 18103/Mis. 2841, dated the 24th June 1903 whether he required the services of Mr. Nagar Subba Rao who ^{had} conducted the investigation in the Madur District in connection with the irregularities in the Chikamagalur Hospital. He ~~has~~ has replied in his letter No. 1 dated 20th June 1903 pointing out that no Secretariat Officer has yet been sent to him, and that in addition to the Secretariat Officer, the Government Pros. on the case direct that legal assistance may be engaged, if necessary, to conduct the prosecution, that it is not clear to him whether Mr. Nagar Subba Rao is proposed in lieu of the Special Secretariat Officer or of the Counsel for prosecuting the case or in addition to both, and that he leaves it entirely to the Govt. to decide what Officers should assist him in conducting the enquiry. This letter now requires orders.

The Insp. Genl. of Police was asked in this Office Docket No. 18328/Mis. 2879 dated the 30th June 1903 to place the services of Mr. Nagar Subba Rao at the disposal of the Special Commissioner, without prejudice to his other duties. I have learnt semi-officially

6/5
from Mr. Nagar Subba Rao that he has been permitted to work under the Special Commissioner in connection with the enquiry, but that the latter Officer told him that he could not give him any instructions as Mr. Nagar Subba Rao ^{was} ~~is~~ the investigating Officer in the case, and that he had made a ✓reference to Govt. in the matter.

Meanwhile last week, ^{1.5} on 29th June, a D.O. was received from the Registrar, Chief Court, stating that Mr. Rangasami Iyengar was to sit next day to hear the case and asking that the Special Secretariat Officer should be sent. No orders having been passed about the Secretariat Officer, I informed the Special Commissioner ~~semi-officially~~ that orders would soon be passed on his letter of the 26th June.

Mr. Rangaswami Iyengar's letter is not very clear. I think however that, under present circumstances, orders may be issued deputing one of the Assistant Secretaries to assist, without prejudice to his ordinary duties, in the conduct of the enquiry before the Special Commissioner. He may also have the services of a clerk from the Office. As legal assistance has been promised, the Government Advocate may be asked to appear on behalf of the

7
6

prosecution, receiving his instructions from the
Inspector General of Police who, it would appear, di-
rected the investigation in the Kadur District.

_____ Mr. Nagar Subba Rao will no doubt be asked
by the Inspector General of Police to instruct the ^{Govt} ~~Ad-~~
Advocate.

My dear Sir

Mr. Chembassekhara Iyer has his hands full. In addition to attending legislative measures, he has charge, I believe, of the several branches constituting the Judicial Dept. He tells me that Mr. Macdonald has asked him to draft a Regulation in connection with the Mysore City Improvements as early

as possible - I am afraid
he will not ~~be able to~~ ^{without prejudice}
to all this 'work', be
able to give much time
to Dr Hernandez' case.
The nature of that case
is moreover such that
it could be handled
with greater facility by
an officer like Mr B. Rama-
Samiyappan than by one
like Mr Theendrasekhara
Eyer. When I proposed
the latter, I was not
aware that the former

was available.

May I, under these
circumstances, suggest
a modification of
our order? Mr Rama-
Samiyappan may in
addition to his special
duty which has not been
urgent, be asked to
assist Mr Theendrasekhara
who tells me that
he is quite agreeable to
this arrangement. If

Sir,

In continuation of my letter No. 1 dated
26th June 1903, I have the honor to forward for
the information of Government copy of Notes of the
orders passed at the preliminary hearing of the
"Enquiry" on 30th June 1903 and to state that I
am unable to take up the case to-morrow and
fix a date for examination of witnesses, as no
reply has yet been received to the said letter.
It is true copy of your letter No. 1838 dated
30th June to the Inspector General of Police
requesting him to place at my disposal the
services

services of Mr Nagar Subba Row Superintendent of Police" who conducted the investigation of the case in the Kadur District was forwarded to me, but this contains no information on the points raised in my letter quoted above. Mr Subba Row has not yet reported himself for duty though he informed me on the 4th instant that the Inspector General of Police had agreed to spare his services as desired by Government. I would, however, point^{out} for the information of Government that Mr Fernandes has complained in his explanation of the attitude of the Police and especially of Mr Nagar Subba Row throughout the investigation and trial of the criminal case against ^{phil.} writer Krishna Row - It is therefore a matter for consideration of Government whether, in fairness to Mr Fernandes, Mr Nagar Subba Row can be employed to assist me

me in conducting the enquiry except perhaps as a prosecutor or to instruct the counsel for the prosecution.

2. In the absence of a responsible officer to do the ministerial work, I have experienced great inconvenience in carrying on the correspondence and in the preparation of statements of accounts &c which are required.

I would therefore request that an experienced officer of the Secretariat with a clerk to fair copy and do the routine work of the office may be deputed at an early date.

3. There has been much delay already owing chiefly to the omission to forward direct to me a copy of the Government Proceedings appointing me to enquire into the case as Special Commissioner and to depute a Secretariat officer as laid down in it and I would request that early action may

may be taken at least on this reference.

I have the honor to be,

sir,

Your most obedient servant

Henry

Special Commissioner.

30th June 1903 - 11. A.M.

Dr. Fernandes appears with Mr. John Lawrence

The order of Government directing the enquiry is read and discussed. The Court remarked that an attempt will be made to enquire into the accounts of the Civil Hospital Chikmagalur from 1st January 1891 to see when the defalcations commenced and that enquiry into previous accounts if available will also be instituted if it should be found that irregularities and defalcations had occurred during such period, that besides the Registers and accounts, medical and other officers will also be examined as to the system on which the purchases were made and paid for and accounts kept in the Hospital.

Mr. Lawrence observed that in justice to Dr. Fernandes, the practice which prevailed before he took charge of the said Hospital should

should as proposed be examined - It should then be ascertained how far the state of things affected Dr. Fernandez.

It was then discussed what witnesses should be examined - In the absence of an officer for the prosecution whom the Government has yet to depute, it was found difficult to ascertain all the witnesses that would be required for examining for the prosecution, and Mr. Lawrence felt equal difficulty to name witnesses for Dr. Fernandez without knowing what would be elicited from the accounts and the examination of the witnesses for the prosecution.

After some consideration it was resolved to make a tentative list of witnesses for Prosecution and Defence from the information elicited in the Sessions trial and preliminary enquiry, and the list showing 14 witnesses for prosecution and 6 witnesses for defence was prepared -

Mr. Lawrence urges that the enquiry into the examination of witnesses should be conducted at Bangalore as it will interfere ^{least} ~~most~~ with his work and be less expensive to his client than if the case were enquired into at Chikmagalur.

Pending the representation on the other side, the enquiry will be fixed to be held at Bangalore - Date to be fixed on 8th July between 2 and 3 P.M.

The Civil Surgeon Chikmagalur will be required to have all the Books and Registers referred to in our docket No 3 dated 27th June 1903 ready for despatch to this office immediately on receipt of intimation.
